welcome

Welcome to Frederick Boulevard this morning! We are so excited that you would join us for worship today! We want you to be comfortable as you visit with us and we hope that God speaks to you as we worship together. Please take a moment, during the service to fill out a communication card which should be located in the back of the seat in front of you. We would love the opportunity to know that you joined us for worship today and we look forward to connecting with you this week to see how we might pray for you and serve you.

I would particularly like the opportunity to meet you. If we have not met yet, please take a moment after the service to introduce yourself to me.

If there is any way in which we can serve you during our time together today, please do not hesitate to ask. Know that we are praying for you and we are looking forward to what God will do as we worship Him together!
